

# FairCat Fit

with chicken & salmon cared for in a more species-appropriate way

In our FairCat Fit you will find an extra serving of vitamin C & E as well as L-carnitine that provides everything your adult tiger needs for its next adventure. The grainfree recipe not only makes your cat happy but also helps create a sustainable world: because this fair meal is even climate positive and contains only protein from animals raised in a more species-appropriate way.

## grainfree recipe

This recipe does not contain any grain and is suitable as a daily grainfree food for healthy and sensitive cats.

## vitamin E + C

In our FairCat Fit you will find an extra serving of vitamin C & E as well as L-carnitine that provides everything your adult tiger needs for its next adventure
